**MESSAGE FROM
U.S. SENATOR MAZIE K. HIRONO**

**In Honor of the
Hawaii Captive Insurance Council Annual Conference**

October 22, 2019

Aloha and welcome to the Hawaii Captive Insurance Council's (HCIC) annual conference. I regret that due to my legislative duties in Washington D.C., I am unable to be with you for this special occasion.

The captive insurance industry has helped to ensure that companies are able to manage their risk and provide an alternative to corporate lines of insurance. With the highest standards of regulation, a consistent legal and prudent regulatory approach, and a welcoming business-friendly environment, Hawaii is recognized as the premier captive domicile of the Asia-Pacific region, even becoming the world's leading jurisdiction for Japanese captive insurers.

Mahalo to the HCIC forum attendees, many of whom represent Fortune 500 companies across the United States and Japan, for choosing to do business in Hawaii and for supporting Hawaii's captive insurance industry.

Best wishes for an enjoyable event and continued success.

Sincerely,

A handwritten signature in blue ink that reads "Mazie K. Hirono".
